

DUMPING POLICIES FOR HUDSON VILLAGE

- Regular Garbage only can be placed in the large dumpsters in the front of the complex and the garbage rooms in the parking area. Please make sure that your garbage bag is securely tied so that the garbage can not get out and fly all over the complex. Each floor in both buildings has a garbage chute however, if your garbage bag does not fit then it needs to be walked outside to the dumpster or walked down to the garbage rooms in the parking area. **DO NOT** leave it on your balconies, inside the garbage chute rooms, outside the doors of the garbage rooms in the parking area or in any common areas.
- Cardboard boxes must be flattened and placed in the blue bin located in the front of the complex. These can also be taken to the recycle bins next to the Superstore on 137 Ave.
- **NO** large items such as mattresses, BBQ's, furniture etc is allowed to be put in or around any of the dumpsters or the garbage rooms. The city will not take any of these items away which means that this cost affects all residents whether an owner or renter.
- There is a Goodwill located at 12644-137 Ave for any items that you would like to donate as well, there are many charities who are in need of items. A suggested website is: <http://webproxy.edmonton.ca:20050/external/recycling/default.aspx>
- **Recycling:** ABC Bottle Depot is located at 14142-140 St and is open Monday-Friday from 9am to 6pm. Please **DO NOT** leave bottles/cartons in the garbage rooms, by the elevators or anywhere else on property as we will no longer be collecting them. Please enjoy your refund.

If you are caught dumping large items on site - inside or outside Hudson Village - you will be charged for the pick-up and disposal of the item(s).

Listed on the other side is a guide to put on your fridge with items that can be recycled, need to go to an Eco station and can go in garbage bins.

Sincerely,
Your Board of Directors.
