- Ÿ Are permitted to park **ONLY** in their *designated parking spot underground or above ground at all times.*

VISITORS:

- Ÿ Must display a 'visitor parking pass' that was supplied to each residence and can **ONLY** park in the designated 'visitor parking' areas.
- Ÿ **Visitor parking is for guests ONLY.** If you are a resident using a 'visitor parking pass', you will be ticketed and towed immediately.
- Ÿ If you need extra visitor parking passes for a particular date please call 780-634-9025.
- Ÿ **NO overnight parking** is allowed *unless the site Manager has been advised.*

Parking has been a problem in our community for quite some time. Most residents are abiding by the guidelines and the by-laws but others have been abusing them. We need to work together as a community to make sure that this is an enjoyable place to live and for people to come visit.

Tickets and Towing will be implemented immediately for the following:

- Resident parked in a “visitor” parking stall.
- Any vehicle parked in the “Handicap” stall not displaying a Handicap sign.
- Resident parked in another resident’s stall or a stall that has not been assigned to them both above ground and underground.
- Vehicles that are parked in a resident or visitor stall not displaying the required pass.
- Any vehicle parked in a visitor stall overnight whether a resident or visitor with the exception of any visitor that the site manager has been notified will be staying overnight.

Sincerely,

Your Board of Directors
